

2016-17 NEW STUDENT REGISTRATION

For students that are new to White Oak ISD or were not enrolled on the last day of school (May 27, 2016)

Instructions to Parents:

Required documents can be downloaded from woisd.net or picked up from the appropriate campus. Please fill out one set for each child. Return ALL completed documents to the campus either by email or in person. After documents are received and proof of residence is provided you will be given a username and password to Skyward Family Access. Upon logging in to Skyward you will need to complete the registration process by finishing the remaining steps.

We encourage parents to begin the process as early as possible; it may require more than one visit to the campus to complete the entire registration. We have reserved the week of August 8th - 12th for new students to meet with Principals/Counselors if necessary; however, all prior requirements must be met before an in person meeting.

High School students will be given an appointment date/time to meet with the Counselor.

All Campuses will have computers available during registration to use for completing the online registration process
