“OPERATION KIDSAFE REGIONAL CHILD SAFETY DAY”

Saturday, January 20th, 2018

10am - 4pm

FREE digital fingerprint and photo safety program. Specialized digital imagery equipment will only be in your area for a limited engagement! Did you know over 2,000 children are reported missing everyday in the United States? Don't miss this opportunity to get your **FREE** Child Safety Kit, including digital fingerprints and photograph. Safety tips will help you set up a family safety action plan.

How it Works: *Operation KidSafe* captures your child's picture and fingerprints using a digital video capture device, digital ink-less fingerprint capture device and specialized software. The captured data is assembled and a quality 8 1/2 x 11" printout is given to the parent. The parent can use the printout they receive to provide to law enforcement anywhere in the world to *instantly* aid in an investigation. **NO DATA RETAINED - PRIVATE**
